We endeavour to keep our prices as low as we can to make our food more affordable in a fast food environments.
However, it is cooked fresh to order with some imported ingredients which have been affected by the exchange rate increases. Changes in prices are necessary to ensure the service is sustainable.

Allergen Advice

Of the 14 major allergens, the following are used in our kitchen.

Gluten: present in Oyster and Soy sauce, used as an ingredient in many of the Stir Fried Noodles. Egg Noodles are made with wheat.

Crustaceans: in King prawn dishes. Shrimp paste can be in curries. Please ask when ordering. Listed as menu item, ask if not required.

Egg: Fish sauce is used as an ingredient in many stir fry sauces but not all.
Fish: rarely used but obviously in our hot drinks with milk.

Milk: Squid and other Molluscs are found in seafood dishes and Oyster Sauce which is in many of our stir-fry sauces.

Molluscs: are found in many curries and Stir Fry dishes as listed.

Peanuts: is contained in the soy and oyster sauces; Tofu is sometimes present in the kitchen.

Soya: Monosodium Glutamate is an abundant naturally occurring non-essential amino acids found in Soy sauce and other seasoning's we use.

MSG: Please be aware of your tolerance levels e.g. some people who require gluten free are comfortable with some soy sauce but not egg noodles. whilst others react badly with just a trace of Soy.

Please ask if you are not sure. If in doubt, leave it out.

Vegetarian???
Mixed veg items are mostly vegetarian. But not necessarily so, as some dishes may still contain a small amount of Fish Sauce to obtain the distinctive flavour. If this is a concern please ask when ordering.

Gluten Free???
Some of our dishes do not have wheat listed as an ingredient and are suitable for those requiring Gluten Free. Please asks if Gluten Free is a Requirement.
